DETAILS

Food Truck is Kendricks BBQ and will be available for meal purchases of your choice.

We will have a DJ & guest singer for our National Anthem and a few other tunes.

There will be some waters provided by HOA (but please bring some too)

Pool will be open until 10:30pm (please bring your DL & Pool Key jic)

We are asking our VOTL neighbors to please wear your armbands. The reason for the armbands is b/c we are blocking off from Otos or Casinos (if you live in that part of VOTL you will have to detour home from Otos Dr.)

to the pool and we will need to make sure you are a resident of VOTL.

Our Realtors will be going to your homes to give to you your armbands between now and next week.

Please remember not to lose them. :)

Kristy Cotter with ReMax Lakefront LE will be providing Bahama Bucks until it runs out.

Michael Riley with ReMax Town & Country will be providing the stage for our entertainment and golf cart transportation.

We have many more but too much to list.

Thank you to our Neighborhood Realtors, Lender & Friends for all of your help.

There will be more details to come.
