Governor Abbott issued a new order that goes into effect at  
Noon, Friday, July 3rd.

"Every person in Texas shall wear a face covering over the  
nose and mouth when inside a commercial entity or other  
building or space open to the public, or when in an outdoor  
public space, wherever it is not feasible to maintain six feet  
of social distancing from another person not in the same  
household."

There are a few exceptions but, in general, if you are  
indoors, not in your own home, you are required to wear a  
mask. If you are outdoors and are unable to maintain 6 ft of  
separation from others, you are required to wear a mask.

If you are in the lake or in a pool, you are not required to  
wear a mask but if you are walking around a public pool,  
interacting with others outside your household, yes. You  
need a mask.
