NEW EXCITING THINGS AT OUR AMENITY CENTER

The HOA has heard the requests and has been making things happen. Gym Equipment has been moved, the cardio machines are now facing the water. Also the amenity center has new gutters installed as well as French drains around the multipurpose court to help with the water drainage. Now that the water issue has been resolved the developer will be resurfacing the court in the next couple of months so be on the look out for that. Finally the bike rack has been moved to its own portion of the sidewalk freeing up another parking space at the amenity center since we all know parking is limited.

SCHOOL BUS

It is incredibly important that we all follow school bus safety. When the bus is out picking up kids please stop. We all want our kids to be safe when getting on and off the bus.

POOL IS OPEN

Our pool is open for the 2021 Season. The HOA has hired a new monitoring company as well. They will be doing check ins upon arrival to the pool.
