SCHOOL IS BACK IN SESSION

With COVID shutting everything down in March this day is very important to not only the parents but the children that are able to go back to school and see their friends once again. With that being said please remember to drive slowly and be patient around pick up and drop off times. Our children mean the world to us.

September 1st is the start of hunting season. As many of you know Valencia on the Lake is surrounded by US Army Corp land. Those that choose to hunt are able to do so on Corp land.
