Creating a Community for All

Commin' In Hot

Hello amazing friends and community members! We are so excited to embrace the lake and sunshine heat! This next quarter is full of exciting events and, as always, new updates! Please read through to get a deep dive into everything you need to know!

Flags- Help wanted!

We have seen an increase in the need for volunteers as our beautiful community expands. One of these needed areas calls for all those with trucks or large vehicle to help put up and take down flags. These holidays would include: Memorial Day, flag day, Juneteenth, 4th of July, and Veterans Day. Veterans Day would be the next holiday we need help with the flags. If you are interested in volunteering your vehicle for transporting them or assisting with placing them out/ taking down with flags please contact Stephanie Daily at [214-734-8455](tel:214-734-8455).

Watch Out and Heads Up!

Please remember that schools starts **August 11**. This means school zones are back into effect morning and afternoon. We plead for everyone to keep an eye out and watch their speed. In addition, the school bus makes stops with kids climbing in and out. Please obey the stop sign connected to the bus.

Road Work Ahead...Does it?

We know this is no surprise, but Rockhill is expanding! Our one-way-each road is in the process of becoming a total of four lanes with a concrete median. Although there are some areas that appear to be finished, as of right now the north side is still under construction and NOT in use. We urge all drivers to be aware of this when driving down and passing other drivers. Permitting weather, we hope to see this finished late 3rd quarter, early 4th quarter of this year. Once everything is finished and both sides are ready to be open for use, there will be a publicly made announcement. For now, stay safe on the road neighbors!
